

Application for Adoption of a Biewer Terrier from J'adore Biewers

First Step – There are no right or wrong answers to these questions. ☺

Filling out this questionnaire helps us to understand what you are looking for in a dog and how we can best match you according to your preferences. The happiness of our pups and a successful transition to a new home is our goal.

Second Step

Our prices for a Biewer Terrier puppy start at \$4,000.00 and depend upon your preferences and what we have coming available for adoption. If we can match you with a dog then J'adore Biewers will email you a contract for purchase and a request for a non-refundable deposit (\$1,000.00) towards the purchase of your dog. We will send you additional payment information.

Third Step – This process is first come first served. No puppy or adult dog will be reserved for you until the contract is returned with a deposit made. In the rare event that your chosen puppy / dog is no longer available then we will of course offer another one to you, put you on the top of our waitlist or return your deposit.
